REPRODUCTIVE HEALTH

Southwest District Health

WELCOME TO SOUTHWEST DISTRICT HEALTH

WHO ARE WE?

Southwest District Health has been providing reproductive health services for males, females, and teens throughout six-county areas since 1971.

Our staff is dedicated to the highest quality of medical care and counseling. We provide preventive reproductive health care, and can answer your questions about your health concerns. We offer health information, education and referrals.

Our goal is to provide each of our clients with the necessary information and education to make informed personal choices about their family planning needs.

REPRODUCTIVE HEALTH SERVICES ARE MUCH MORE THAN YOU THINK

- Physical Exams & Health Screening
- Pap Smears
- Pelvic and Breast Exams
- Blood Pressure & Weight Checks
- Pregnancy Testing & Options Counseling
- Sexually Transmitted Disease Testing
- HIV Testing & Counseling (Confidential testing for both you and your partner)
- Birth Control (Including instructions & counseling)
- Infertility Education and referral
- Individual and community health education
- Referrals to specialized social services and healthcare

SOUTHWEST DISTRICT HEALTH IS COMMITTED TO YOUR NEEDS!

- We are affordable and accessible. Sliding fees are based on income and family size.
- We are confident and committed to protecting the privacy and dignity of clients.
- We support clients rights to make informed decisions.
- We offer extended clinic hours.
